renovation, it has not been done in the past. One of the things the attendance is very low in the Lincoln Fairgrounds, because of the summer heat at that time of the placement of that grandstand, which is in the sun most of the time. The attendance is very low. The grade of horses is not good, not as good as in other places, because of the heat in the summer time and the grandstand. The operation cannot be successful at the number of people who attend and it can be successful with the proper grandstand or the proper racetrack.
